AGENTIC AI

OFFLINE-FIRST AGENTIC AI

Sovereignty-by-design for African institutions.

90 AGENTS IN OPERATION

PILLAR 01

SOVEREIGNTY

Data residency is not just policy; it is infrastructure (offline-first local hosting).

01

PILLAR 02

PRACTICALITY

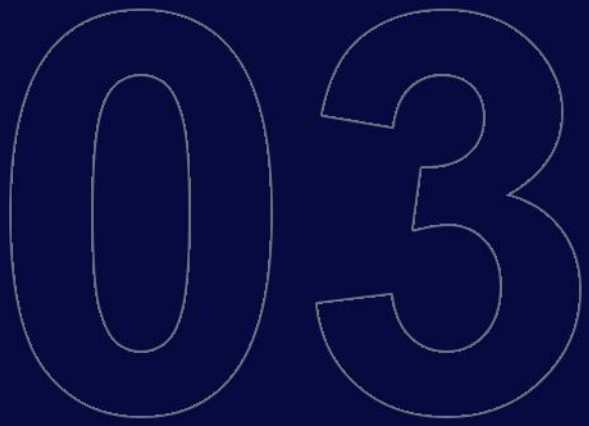

"90-day pilot" commercial motion; integration seams rather than rip-and-replace.

02

PILLAR 03

ACCOUNTABILITY

Technology-debt transparency as a business practice.

FIELD PROOF

REAL-WORLD PROOF

Field-anchored at J&S StopOver Bar (Malawi), demonstrating practical AI-native small business transformation (inventory, sales, procurement).
